My boobs have paid me back many times over. It's knowing that something more than my 136 IQ will interest the boys. When I do things, I like to do them right and see them through to completion. Like cock-sucking, for example. I have had plenty of practice and all the guys appreciate my technique. They like my warm, soft mouth and then the brush of my teeth that follows their cock down the shaft.

I've always been told I have nice boobs. I have been showing them off since I was old enough to know. That means just some low cut dresses, bikinis and the occasional orchestrated wardrobe malfunction. But I have more than nice firm boobs; I have a tight pussy and no matter how many big hard cocks goes into it, it stays nice and tight, and juicy.

To the Editor:

AND CARLY MAKES THREE

Hey guys, Want to thank you for a great look at great looking Sophie Dee. I've been a big fan of hers and her boobies ever since I first saw her – years ago. I'm also glad to see her move into the top of her field. She's stayed slim, didn't get an unnecessary boob job, and still managed to maintain her sexual appetite. A devoted fan.

– Trevor, Denver

My best friend, Carly, wore nothing but a pair of blue satin underpants, and they were already leaking at the crotch. I wiggled my nose like a baby rabbit, teasing her about the scent of her arousal. “If he doesn’t hurry up and get here, we might have to start without him,” I teased. I, of course, wasn’t wearing a scrap. It was my apartment, wasn’t it?

When Wayne walked inside, he kept going for several steps, a bag of groceries still in his arms. Then he tripped in surprise, and I barely caught the bag. Putting it out of harm’s way, I tilted my naked pelvis in his direction. “We have a guest, or haven’t you noticed?” I asked, as I carelessly brushed my fingertips against my own nipples. “Aren’t you going to say ‘hi’ or ‘nice tits’ or anything?”

“Um, hi, Carly,” he stammered. “Nice tits.”

That’s when we swooped down on him to unzip and unbutton. Poor Wayne hardly knew what hit him before he was bare-assed in the middle of the floor. Hey, I make no excuses. I’m 19, sharing my first apartment with my man, and I don’t want my life to be a boring little imitation marriage. My relationship with Wayne is wild and experimental, although perhaps not so experimental that he’d guessed we’d soon be doing three-ways with my best friend! Carly humped

her satin-clad pussy against Wayne’s nine-inch thumper.

“You’re right,” she purred. “He’s incredibly well-hung.”

Our plan had been to move into the bedroom at that point, but we were too eager to get to the action. I squatted behind Carly and began to roll off her panties in slow motion, using my lips as much as my fingers. When she stepped free of them, I sucked on the soaked crotch loudly and pointedly. Wayne moaned. “I had no idea you were bi,” he muttered. “I think my head is going to explode.”

“Which head?” Carly asked mock-innocently. She pulled him down to the carpet, and we began to kiss, stroke, and lick at whatever we could reach. Wayne was passive, allowing his body to follow the directions of us two women and the urgings of his dick. Soon, we had him on his back, his firepole thrust toward the ceiling. Giggling, Carly and I almost knocked heads together in our frenzy to share his enormous lollipop. I licked him from the right, and she licked him from the left.

“This can’t be for real,” Wayne was muttering. “It’s got to be a dream.”

But it was very real. I began to kiss Carly through the thick slab of beefcake that separated us. She kissed me back, with plenty of slobber. Our spit ran down his heavily veined stalk, tickling him in all the special places. “I’ll sit on his face, and you sit on his dick,” I mouthed at her. She nodded. We gave his fat organ another quick pair of licks, and then we shifted position. Wayne was beginning

to groan aloud in excitement.

I squatted carefully over his face, my knees on either side of his cheeks. I have long, thick pussy-wattles that hang down several inches, and Wayne has always taken great delight in curling and uncurling them with his passionate tongue. God, it felt so good!

Meanwhile, Carly had settled herself into place over his spit-shined dick. She sat down so heavily that I could hear tiny squirting and slapping noises as her body settled itself into place atop his. I was facing her, and we watched each other bounce up and down over our shared man. Her small coral nipples were achingly erect...and so were mine.

I reached for her. Why not? She thrust her tits forward, and I curved my head downward so I could suckle on those luscious berries while I continued to writhe on top of Wayne's mouth. Carly squirmed happily, her nipples corkscrewing wildly between my lips. I swear I felt the tiniest ripple in her tit-flesh, which convinced me that her body was trying to have an orgasm in her titties! Before I could suck her to that completion, however, she was already coming all over Wayne's tool.

"Ah! Ooh! Uhhhh!" she panted, her face a contorted mask and her eyes first wild, then closed in the throes of her climax. She looked completely sloppy and undignified and utterly beautiful.

Wayne's tongue thrust higher, cupping itself around my clitoris, and then I was also coming in a helpless, screaming frenzy. I had to spit out her pointy nipples to gasp for air. When

you're getting off that hard, you just have to scream. "Fffuuuccckkk!" I shrieked, and the reverberations echoed around the living room.

Wayne probably would have imploded instantly, but quick-thinking Carly squeezed him just at the base of his dick. Then she poured herself off his still-hard erection, pointing at it clumsily, since she was still too shaken to speak. I got the message and instantly took her seat in the saddle.

Wayne's dick seemed to bloom inside me, its fierce hugeness a delicious contrast to the gracefulness of his tongue. I started to come again, my knees pounding the carpet, even before Carly was fully situated over his mouth. Together, we rode him, our flushed bodies jiggling wildly. An orgasm shared is an orgasm doubled!

As we two girls continued to heave, Wayne suddenly clenched up tight beneath me. My inner pussy muscles twitched in a happy response to his eruption, causing the deep walls to suck in thick gobs of hot, fresh jizz. By that time, I was cross-eyed from passion, but I could see enough with my blurred vision to tell that Carly was orgasming on his lips. It was a true threeway, right down to our simultaneous, three-sided climax.

Sophie's da bomb

I recently picked up your latest 30+40 magazine because I saw these great boobs on the cover. When I looked at Sophie Dee's pictures on the inside, I decided that I had to make the best of it. I had not jerked to any photos since I was in my twenties, but have always been a great aficionado of large chested women, especially if their boobs are natural and hang well. Sophie's does all that and more. Many big boobed women have overly large areolas, or their nipples don't stand out. Sophie's are perfect and they deserved my appreciation. I may appreciate them later, too!

— Robert, Dallas

I'm damn lucky to have such an understanding and helpful best friend...not to mention such a cooperative and well-hung boyfriend!

—Kit, Lansing

AU PERFECT

Our first au pair was a total disaster—a French girl, who was a total bitch and incompetent to boot. We sent her ass packing after less than a week. I figured we ought to bag the idea of a live-in nanny, but my wife talked me into giving Inga a chance. Man, am I glad I let myself be persuaded! Inga is a great babysitter. And she's the hottest piece of ass in the world.

Inga turned 18 just two weeks before she came to live with us, with a clear, rosy complexion and tight little tits. Staring at her lying there with her legs spread, leering at me over those firm, pale tits, I could hardly believe that she was really a full-grown adult woman. The meat of her pussy was as pink as bubble gum, and it glistened with the wetness of her lust.

She was breathing heavily, almost panting, and there was something unbelievably sexy about her lilting accent as she said, "Your cock looks so good! My pussy wants your cock inside me." The sound of the words made my cock jump. You couldn't get Linda to say "cock" or "pussy" for a million bucks. I mean that literally. She calls male pheasants "roosters" because she can't bring herself to say "cock."

Well, fuck Linda! Or more to the point, fuck Inga instead! I got between those slim young legs, trembling with excitement. Her thighs were warm, but the heat radiating from that tight young pussy was like an atomic blast. I gripped my stiff

cock and rubbed it up and down her slit. Fuck!—that's got to be one of the great turn-ons in the universe. Inga moaned and gasped, and every time my cock rubbed up against her erect young clit, she made this low, humming sound in her throat.

I could have rubbed her gash until I blew off. I'll bet Inga would have gotten off, too. But what the hell would make you want to waste it when there's this unbelievably tight hole you're just waiting to sink your cock into? After playing for a minute, and making sure that my cock was completely slick from Inga's pussy-juice, I wedged the knob of my cock into the entrance of her horny young slit and gave a push.

Inga yelled, "Yes! Oh, yes! Cock!" loud enough that I was glad Linda and the kids were at Grandma's. She fucked up at me, and I shoved hard, pushing every inch of my stiff cock into the clinging heat of Inga's horny Swedish pussy.

The walls of her pussy rippled, squeezing, already on the verge of coming hard. I didn't waste any time. As soon as I hit bottom, I pulled out and started fucking that babe as hard and fast as I could.

Inga loved it. She rocked and rolled under me like she'd been fucking for two lifetimes. Her pussy was so fresh and tight that it actually took some effort to

Devon Lee? Yes!

Yes! Yes! A thousand times, Yes! My libido jumped into overdrive when I saw Devon Lee's pictorial in 30/40. [30+40 please—Ed.]

While I thought many of the photos were not that great, I did enjoy seeing her get fucked. I had met her several years ago as I was passing thru L.A.

We were at a party in Woodland Hills and she was particularly friendly.

Her smile was captivating and the dress she wore that night is still, burned in my memory. Low-cut black sequined minidress that stopped just below her crotch. Red sequined panties when they flashed.

Made my night!

—Elliot, San Diego

pull out and push in. And yet, at the same time, it was so slippery and hot and wet from how horny she was that I enjoyed some of the smoothest fucking I've ever experienced. It was great, that's all.

Inga's arms and legs wrapped around me, and she fucked like a wild animal. I was glad I had warned her not to scratch my back, but I wasn't sure she was going to be able to remember, or to control herself. I mean, she was fucking like a room full of minks on Spanish Fly. You'd have thought she'd been deprived of sex for years—when in fact I knew damned well that she'd enjoyed three screaming, thrashing orgasms less than 24 hours earlier!

I kept fucking in and out of Inga's pussy, and I managed to hunch my back so I could get my mouth onto one of those tight little titties. When I sucked and tongued her stiff nipple, her pussy responded with a wild flex of passion. I kept fucking and licking, and Inga kept moaning and gasping as her hips bucked and thrust and rocked in rhythm with our fucking.

Suddenly that hot young Swedish babe underneath me went rigid, her body locked in a convulsion of unspeakable ecstasy as an orgasm burned and sizzled through her. Her pussy gripped me like a python as she climaxed. I kept fucking, and she kept coming, and my cock swelled and burned in the fantastic

clutch of that hot, spasming pussy.

I managed to hold back, and Inga came out of her orgasm screaming

for another one. I pumped and humped and fucked, and she banged back at me more and more wildly. It was like the end of the world in Technicolor. She jerked and thrashed so hard that I quit sucking her tit and concentrated on riding her without getting bucked off. Her pussy flexed and squeezed, tightening as she got ready to come again. My cock slurped loudly as I pumped in and out of that wet hole. My balls rolled as I prepared to make it even wetter.

With a loud scream, Inga climaxed again, and I came with her. I felt like I was burning as I felt my cum gushed through my cock and spurted in heavy jets into the depths of that Swedish teenager's horny young pussy. It was as hard as I've come in years—but with Inga in the house, I know that I'm going to have even bigger orgasms on a regular basis. What a childcare expert...and what a great fuck!

—Gerald, Newton, MA

My cock slurped loudly as I pumped in and out of that wet hole.

I'M MAKING HIS DAY.
HOPE I'M MAKING YOURS, TOO!

Ten years later, two former lovers get together again

The sorority has kept us informed of each other's major news, but Marilyn and I were in close contact with each other anyhow. Our contact over the 10 years has been by mail, E-mail, and phone, though. We hadn't seen each other in the time since our graduation.

We have both since married. I have three kids; Marilyn has two. Our husbands are successful.

It's a long distance between us. She lives in New York City. I am now in New Orleans. That and family obligations account for our not seeing each other all that time. But we've remained close friends, nonetheless.

When I walked into the convention center, Marilyn was the one I was looking for. Everyone I remembered from college was there. John, our school's quarterback and star. He thought he was God's gift to men. His wife, Sharon, was an acquaintance of mine.

Suzi and George were surely the oddest couple. A female basketball star and the school nerd, they not

only looked awkward together, they were awkward.

After scouring over 60 or so people, I spotted Marilyn chatting with Marcus and his wife. I made a beeline for her. It had been so long. But I never forgot.

She had been my only lesbian affair. And she was hot! She still is. We spent time manipulating the people who determine who is going to room with whom, so we could stay together. We were together for three of our four years.

She saw me coming from about five feet away. We both squealed like two schoolgirls and fell into a tight hug. The feel of her large breasts against my boobs brought back that old feeling. My pussy was soaking wet in a matter of a minute. I felt her hands lightly stroke my stockinged thighs in the back. My knees went weak, and I was ready to get naughty with her all over again.

We escaped the madhouse and headed for an unoccupied room. Once there, we hurried and tore our clothes off. She was still mag-

nificent! At 5'10", she is statuesque. Her thick curls of dark brown hair cascaded halfway down her back. Those almond-shaped dark brown eyes smoldered as she grinned at me. Her tits were still firm 36DD cups. She still had that slightly thick but shapely curviness to her. Her butt was still plump and round, and her mons was trimmed into a little heart, the tip like an inviting beacon to her clit.

"My god, you look delicious, Donna!" she squealed as she approached me. I'm 5'7". She swept me up in her arms and laid me down on a sofa. Lying next to me, she displayed her clit like an inviting beacon.

"My god, but you look good!" she said. I believed her. My husband is so proud of me, he always wants me to wear revealing clothes. And I do stay in shape, working out four times a week at the local Bally's. I'm not shabby. I have a 38D-24-36 shape, every bit as firm as Marilyn's, except for maybe my tits.

We came together slowly, savor-

ing the nervousness. Feeling her tits press against mine brought more desire to my body. I felt a tingling all over and ached to know her.

We lay on our sides, facing each other. Her right hand softly cupped my breast. I felt my breathing quicken at her touch as my left hand stroked the insides of her thigh.

Leaning to her, I brought my lips to hers and slid my tongue into her mouth. She sucked firmly on it, dancing her tongue against the tip of mine. That tugging suction on my tongue sent jolts of need into my pussy.

When she released my tongue, I started kissing her neck with soft, wet touches of my lips. Slowly I worked my head down to her upper chest. As I moved, so did she. The closer I came to her tits, the more she leaned back. When I was between her cleavage, she was all the way onto her back.

I licked my way over to her left nipple, fully tracing my tongue over the soft, creamy flesh of her gorgeous boob. Her heaving breath made her tits protrude even more, making them very prominent. Capturing the nipple, I gently sucked on it as I fluttered the tip of my tongue over the sensitive nubbin. She gasped.

Taking my head in her hands, she pulled me to her. I opened my mouth wide and sucked on as much tit as I could. My hands squeezed it about in the middle, making the end become a little narrow, so I could get a lot more of it in my mouth.

Bobbing my head up and down, I sucked her big, sexy titty. When she was squirming, I released her and started my descent again. Kissing and licking my way down her belly, I felt her abdomen become taut as my lips touched it. As I came to her pussy, I deliberately didn't touch it, in order to tease her, to make her want me even more.

I let the tip of my tongue lightly graze the very top of her slit, just above her clit. But I kept right on

going. Licking lightly, I teased that sexy spot where the leg meets the haunches, right next to the pussy. Then I started down her thigh.

At the knee, I crossed over to her other knee and worked my way back up. By this time, she was begging, moaning, and whining for me to make her come.

And that's all it took. All I wanted was a little appreciation. I wanted to hear it.

I didn't wait. But I did go slowly. At the top of her slit again, I pressed the tip of my tongue to her and slowly slid it over her swollen clit. "Ooooooooooooh my god!" she gasped. I felt the flesh of her hips quiver and jerk in my hands as I lapped at her stiff trigger.

With deliberate stabs, I jabbed the clit with my tongue several times. I wanted to make her buck and spasm with delight.

When she started to do so, I went further, lifting her legs for a better angle. She readily held them up, pulling her knees toward her tits. I buried my face in her pussy and thrust my tongue as far as it would go into her. Eagerly I stroked it in and out of her.

Her moans became louder, almost cries. She let one knee loose and spread her right leg wide. Her free hand came to her belly. Her slender fingers stretched over her abdomen, and a fingertip touched her clit. As she played with herself, with my tongue fucking her juicing pussy, I brought my left hand up under my chest. Sliding a finger to her

slit, I coated it with her slick juices. Then I did something neither of us had ever done to each other before. Bringing the tip of my juice-soaked finger to her anus, I pressed firmly.

"Oh fuck meeeeeeeee!" she cried.

Her pussy clamped onto my tongue, and her asshole puckered as I pushed the finger into her. Her hips bucked and thrust at my face, wanting more. I thrust my finger into her brown eye and stuck my tongue as far into her as I could.

Wiggling both inside her, I did my best to bring her off.

And it worked. She is a screamer when she comes. And she howled like a werewolf seeing the full moon. Her legs kicked, scissoring to and fro past my head. Her hands found my hair and mashed my face to her sopping pussy. The aroma of her musk filled my senses with a dizzying headiness. I felt my own pussy inflamed with need as I continued to fuck her plump but firm haunches with my finger and tongue.

When she started to pull back,

I let her. I know what that means. Many times has my own clit become so raw it is far too tender for touch.

I sat up, my grinning face glistening with pride and a deep sense of joy. This is one lover I will never forget. A former star volleyball player for her college, she keeps in great shape. She also swam for her high school, so she was fairly well known. That's why we remained exclusive and accessible only to each other. If it got out that she loves pussy as

knees up to my chest. Holding them with my hands, I pulled so they came to the sides of my chest. My pussy was so exposed you could have driven a truck in there with no problem. Marilyn stood over me and slowly squatted. As she did, I saw her thighs become taut and her pussy seem to jut out between her thighs. What a delicious sight!

Slowly she brought that plump pussy to mine and sat right on top of me, pussy-to-pussy. Just as slowly she started to grind on me. Her sopping pussy-lips parted, sinking one at a time into mine. Our lips folded into each other with the slippery ease of our lust. Our clits nudged against each other once in a while.

The best pleasure was the feel of her soft, plump, smooth pussy-lips parting and folding against mine, our lips parting each other's and caressing the hot, tender inner pink of our pussies. This kind of action keeps me on edge for quite some time. I can have a dozen orgasms from it and

still want more.

I let go of my legs, which were getting cramped, and lay there, my legs spread wide, feet flat on the sofa, with Marilyn perched between my thighs. Her legs were parted and draped over mine. With our pussies pressed firmly together, we reached between ourselves and started to play with each other's clit.

It was best with our thumbs. As our fingers rested on each other's belly, we used our thumbs to massage each other's clit. My pussy was sated, and I was about ready to rest for a spell when she surprised me.

Marilyn brought a leg under mine and lifted it. In this way, we had our legs over each other's bel-

ly and back. With our pussies still pressed firmly together, she reached behind me and stuck a finger into my ass, just as I had done to her.

I didn't know how much of a turn-on the ass can be until that moment. "Get your clit, baby," she whispered. When she saw me reaching for myself, she shoved that finger up my ass, hard.

That sent me way out over the edge. It was different, to say the least. It felt unbelievable and enhanced the intense insanities my pussy was experiencing.

My whole body spasmed with the intensity of the orgasm that hit me. And it spasmed again and again with such an intense delight, I thought heaven was at hand.

She thrust that single finger in and out of my asshole with abandon as I firmly frigged my clit. Our pussies bumped together as I jerked and spasmed in ecstasy.

My knees were weak. I was afraid I would fall. "Let's blow this joint," I whispered in her ear. The memory of her exquisite pleasure made me so horny, I thought I would collapse if I couldn't sit soon. Like, in a car on the way to a motel somewhere.

"Uh-huh," she murmured in agreement. "Let's go."

I led Marilyn out through the crowd and into the parking lot. The cool night air revitalized me, and I was more eager than before.

In the car we kissed. A deep, soul-searching kiss. When we broke it, she asked, "Where to? Sleazy Steve's out on 619? Or some place more respectable?"

I grinned. "Respectability sucks. Sleazy Steve's it is."

"Atta girl," she coaxed as she wheeled the car onto the road.

I snuggled close to her. Her hand found its way into my lap and mine into hers. And those hot, tingling needs started up all over again.

Ten years is too long to wait for this kind of pleasure. One of us will be changing her ZIP code soon, I think.

much as cock, she felt her family would be shamed. She didn't want to do that to them. And I respected that.

She was spent and lay back with a distant smile on her face. I sat there admiring her, my legs parted and my fingers almost conscious of themselves fingering my pussy and clit. I was in no hurry. She knows what I like. In time, I knew, when she caught her breath, she would give me what I needed.

It took her about 20 minutes, but finally she turned her head to look at me. A smile slowly spread across her face. "You want a pussy-hunchin', don'tcha, honey?"

I lay on my back and drew my
